ALL DAY DINING

Embracing the cornerstones of Thai culinary heritage and culture, our chefs have curated a menu of Authentic Thai and International cuisines that reflect the melting pot of immigrant influences in Thailand. From the traditional wok-fried dishes favoured by 19th century Chinese and Szechwan immigrants, European-style tea and coffee houses imported by the Old Town European missionaries and merchants to the Indian flavours brought over by Buddhist monks in the distant past.

In Thai culture, the traditional sharing of a meal is a social occasion. Our range of mouth-watering Thai specialties are laid out in the middle of the table so everyone can savour the five prominent flavours of Thai cuisine while connecting with friends and loved ones.
